Mentors ielts speaking book pdf 2019 download online

[Why/Why not?] Answer: I believe schools should have the facility for the interested students who want to learn to sing and play a musical instrument, but it should not be forced to all. Rose, dahlia, tulip, lotus, daisy, bellflower, sunflower, marigold, calendula, lily, camellia, and jasmine are some of the most common and beautiful flowers that could be found in and around the area where I live. [Why?] Answer: As a university student, I have a couple of classmates, who are also my friends, with whom I spend a considerable amount of time studying or discussing different topics related to our studies or assignments. Do you have many friends? Answer: My mother does the cooking in our house and as I have said, she is a magnificent cook. Do you have a favourite flower or plant? It is expected that the examiner will introduce him/herself first and ask your name and then ask you to confirm your identity. [Why/Why not?] Answer: Yes, it is absolutely important to like the people we study with. Those who are serious about sports or want to become professional sportsmen often get admitted to different training institutes to develop their skills. Thus they combined the name and selected it for me. Did your parents choose your name(s)? [Why/Why not?] Q. How often do you make telephone calls? Well, great. I do it as it is a broadly followed convention in our country, and the idea of giving a host some sort of gifts is exciting, especially when the host loves the gift. Do you enjoy looking for gifts for people? Does your name have any special meaning? In fact, the majority of people used to ride bicycles to travel to and from their offices at that time. In part 1 of the Speaking test, the examiner will ask 4-6 general questions on familiar topics. Topic - People you study/work with: Q. The note that a piano produces is so delightful and melodious. Q. Do you ever take a gift when you visit someone in their home? With other teams and project managers, I mostly discuss the progress of the projects or do formal meetings about the projects. [Why/Why not?] Q. Is summer your favourite time of year? [Why/Why not?] Answer: Our country is home to millions of plants and thousands of flowers. If the person likes the present, the time we spend to find it worths every second of it. I usually print a photo if I want to gift it to someone or frame it. It also teaches them important skills like how to be a team member and develops their decision-making capabilities. I will call her as I am sure she is eagerly waiting to hear from me and to know how well I had performed in the exam. However, there are some instances, at least this is what my experience has taught me, when we tend to do better if we study all by ourselves. But with the increasing use of the smartphone and cameras, we can now take our own picture and video and frame it to our digital storage. One particular friend, who I believe would be a truly great friend and completely reliable, is hard to find but will remain my buddy for a long time while many other friends would be for a short span of time. Busy lifestyle, faster speed of motorized vehicles and our apathy to get involved in physical activities have forced us to use a bicycle less often. Alternative Answer: Well, before starting working on a project, I need to discuss and collaborate with several people. Young children often mimic elders and play games that are popular in their area. I mostly hang out with 2-3 close buddies and go out with them almost 3-4 times a month. Q. Tell me about your best friend at school. Being with the family makes us who we really are and friends make our life worth living. [Why?] Answer: I like to eat at home. The first part of my name, Clyde, came from the name of a river, more specifically it is a Scottish river. I think I prefer writing code in a silent environment without the intervention of others because this way, I can pay absolute attention and produce great outputs. [Why/Why not?] Answer: I like the summer season when it is not too hot, but I can not say that it is my favourite season because I like Autumn over any other season. Naturally, I would like to have a group of friends from my school, my neighbourhood and a few online friends but someone truly special would become my best friend. If I count my Facebook friends as real friends, the number would go high! Q. How often do you go out with friends? He taught me how to show courage when we are in trouble. How often do you ride a bicycle? [Why/Why not?] Q. When do people give gifts or presents in your country? Q. Do you like people taking photos of you? Some such common questions are given below: Q. What do you like doing most with your friend/s? [Why/Why not?] Answer: My name is very special to me and I would never change it. Answer: I believe it takes time, common interests and similar mentally to bring friends even closer. Topic - Names: Q. Topic - Summer: Q. [Why?] Answer: I think it's a tough question to answer. [Why/Why not?] Answer: I meet my friends almost twice a week. Among the indoor games, people love to play chess and cards most of the time. I am a great fan of chess and I often visit a few of my friends who are also passionate about playing chess. As far as I know, they had to choose from hundreds of names, spend considerable hours to finally become satisfied with the name. She is very close to me and starts worrying if she does not hear from me for more than a few hours. Topic - Games: Q. Can I see your ID? With the testing team, I collaborate in order to solve bugs or improve a feature. Sometimes, a single chess match between me and my friend takes multiple days to finish! Q. How do people learn to play games in your country? Topic - Telephoning: Q. If you could change your name, would you? [Why?] Answer: I am extremely lucky that I own a house that has air coolers, and I work in an office that has a central air conditioner. I believe, flowers are quite suitable gifts on such occasions and convey the very best of wishes and are meant to bring good luck. [Why/Why not?] Answer: I have more than 10 friends and I am not sure if I should say this is many! However, I had more than 30 friends in my school days. When I was born, my parents wanted me to have a great name, at least to them. Q. Do you play any games? Q. Who normally does the cooking in your home? I often play indoor and outdoor games with them. [Why/Why not?] Answer: Yes, I like to play badminton most of the time. However, it's a good sign that many young people these days are using bicycles. Apart from that, I like buttered popcorn, pizza, Indian Masala dosa, Mexican Tacos, doughnuts and sandwich - a mixture of many foreign food items actually. Q. Who do you spend the most time talking to on the telephone? I even have my own car. In our country, the sun often shines mercilessly and the temperature reaches around 40 degree Celsius. Do you think children should learn to play a musical instrument at school? When you visit other places, do you take photos or buy postcards? Which instrument do you like listening to the most? In fact, we spend a significant amount of our day-time in our workplace, so it is imperative that we are surrounded by the people we like to work with and respect each other. [What was it?] Q. Q. Do you think that bicycles are suitable for all ages? [Why/Why not?] Answer: I do not use a landline that much except for some official purposes, but I use a mobile phone very extensively and daily. I even got admitted to a music school to learn to play the guitar but could not finish the whole course. Among the plants, I can recall royal palm, rose apple, Indian shots, and many other decorative and flower plants in the gardens. Q. What kinds of flowers and plants grow near where you live? [Why?] Answer: I believe that would be my mom. I do not go out with all of my friends. Since it doesn't take much physical labour, children, youth and senior citizens alike can ride it without any hassle. Alternative Answer: I work in a software company in our country, and I often have to work with a number of colleagues on different projects and requirements. It's a widely followed custom to exchange gifts during the Christmas holidays. What games are popular in your country? Answer: My name is very special to me as it is to my parents. What do you do? And your candidate number? [Why?] Q. What sorts of food do you like eating most? He/she then will ask you to show your identity (passport in this case) and want to know what you do, where are you from and some basic conversation-starter questions. Do you ever take a gift when you visit someone in their home? I sometimes prefer to travel to different cities with my friends, and I went to Milan a few months ago with two of my close buddies. Is your name common or unusual in your country? There is scarcely any day when I do not use it. I specifically liked him because he was more like a brother than a friend to me. I love to spend my weekends with them and sometimes I visit different places, watch movies and discuss different topics with them. The river was close to the location where I was born and I believe my parents wanted me to be as big as a river! The second part of my name, which is Entriken', is the family name of a famous ancient dynasty from Great Britain. And of course, I loved the summer holidays as it meant a long leave from school, visiting grandparents' house and doing fun activities with family and friends. Sometimes, my elder sister Emma assists my mother in the kitchen. Since we can virtually say anything to our friends and do anything with them, we can be truly ourselves with our friends. [Why/Why not?] Answer: Yes, I most often buy a gift on such an occasion. Answer: In my country, we mostly give gifts to others on a special day like a birthday, a wedding ceremony, and on an anniversary day. Q. What do you do with the photos you take? However, during this work, I often need to supervise my subordinates and interact with seniors. [Why/Why not?] Answer: If someone asks me firsts and I feel like being captured in a photo, I do not mind. I often compliment her and inspire her to start a restaurant in the city and she always laughs hearing this. What kinds of flowers and plants grow near where you live? Answer: I learned that they were inspired by a name they found in the book and they took the surname from my grandfather. With the passage of the time, the number plummeted. When do you think you'll next make a telephone call? She is an amazing cook and I always enjoy her cooking. Q. Have you ever learned to play a musical instrument? Who do you spend most time studying/working with? However, I believe I work most with two of my colleagues, who happen to be also from my university, as we are often in the same team working on the same projects. Q. When do you think you'll next make a telephone call? [Why?] Answer: People in my country are crazy about football. Q. In general, do you prefer eating out or eating at home? Q. How easy would it be to learn to play an instrument without a teacher? Topic - Your friends: Q. [Why?] Q. Which instrument do you like listening to the most? We make friends during this phase of life very innocently and without any expectation from them. [Why/Why not?] Q. Do you have a favourite flower or plant? And yes, having plants - both flowers and other kinds, is an absolute necessity not only for aesthetic reasons but also for environmental reasons. Q. Have you ever bought flowers for someone else? Have you ever bought flowers for someone else? Topic - Musical instruments: Q. Some of the common topics and question that you can expect to encounter in your speaking test part 1 are given below for your preparation for the test. Q. What do you like doing most with your friend/s? Do you prefer to have one particular friend or a group of friends? I either choose a sea beach or a location near a river or a lake in summer to enjoy the view and get away from the hustle and bustle of city life. Q. Did you enjoy the summer holidays when you were at school? As for me, the students who I study with are my dear friends, and this friendship has begun after we started studying together. You will find most of the youths playing football in the evening. Q. Do you think it's important for people to play games? Q. How did your parents choose your name(s)? [Why?] Answer: I prefer homemade food and a fan of my mother's recipe. Q. When did you last receive a gift? [Why/Why not?] Answer: Yes, I enjoy holidays during the summer season, when I get one or two weeks' leave from my office. I often play games on my mobile phone and listen to my favourite music. Do you play any games? Then I name those phones according to the theme and prepare those to upload to my Flickr account. But, the motorized vehicles have become more popular these days and this trend has decreased the prevalence of bicycles. [Which one?] Answer: I once tried to master the skills of playing the guitar. What are the advantages of a bicycle compared to a car? We make many friends in our life and some of them become close friends as they prove through their activities that we can trust them and share anything with them. Though he lives in Australia now, we regularly connect via Skype. Details Last Updated: Tuesday, 17 May 2022 00:27 Written by IELTS Mentor Hits: 1375523 IELTS Speaking Test has three parts part 1, part 2 and part 3. [Why/Why not?] Answer: I used to buy postcards whenever I visited a new place with my parents in my childhood. Did you enjoy the summer holidays when you were at school? I think this a personal choice and I am not the type of person who likes taking selfie or self-photograph now and then. Otherwise, I do not prefer to be a photograph, especially with less known or unknown people. Besides, it's a token of appreciation and a good gesture as a gift. Tell me about your best friend at school. In this age of technological advancement, we are more inclined to take picture and video and then share those with friends and family rather than purchasing souvenirs, especially postcards. She calls me a few times each day whenever I am out and I can tell her virtually anything. I work with the clients to understand the project requirements. Where are you from? How did your parents choose your name(s)? Have you ever learned to play a musical instrument? Answer: I like to have conversations with my friends and hang out with them. Q. What are the advantages of a bicycle compared to a car? Are there times when you study/work better by yourself? [Why/Why not?] Answer: I am not a passionate gardener like my grandfather, but still, I believe that a house without some plants and flowers looks empty. [Why?] Answer: I think it was quite impossible in the pre-internet era. It soothes the ear and refreshes my mind. I am not a big fan of TV programmes and mostly watch movies on my laptop. Some of the best photos that I took were taken in unknown places where people posed for my camera. Could I have your name, please? I respect their opinion, privacy and try to step forward whenever they need me. Q. Which is more important to you, friends or family? So I can mostly avoid the fierce hot weather and stay cool indoors. Sometimes when I go out without the comfort of the car, I can feel the heat and perspire profoundly. Is summer your favourite time of year? What do you do with the photos you take? How popular are bicycles in your hometown? [Why?] Q. Bicycles do not pollute the air and they are environment-friendly. Which is more important to you, friends or family? [Why?] Answer: My major is Business Studies, and I often find myself studying or discussing accounting, banking, technology, finance, management and computer applications related topics or assignments with the people I study with. As dining out in a restaurant offers my mom plenty of time to socialise rather than getting stuck in the kitchen, my father and I often insist her to go to an eatery on occasions like wedding anniversaries and birthdays. If we have important assignments, which are quite frequent, we also discuss how we can approach and prepare to get a good grade. This is extremely annoying but this is the reality for millions of people in our country. Answer: Statistically speaking, this is not a very common name. My name is Katherin Hings. Q. Do you enjoy looking for gifts for people? [Why/Why not?] Answer: I think childhood friends are special in a sense. We often buy gifts for a classmate, colleague or a teacher on their farewell days. So keeping in touch with those buddies are important. Following is a list of possible topics that you should be ready to talk about in speaking part 1. Games are highly entertaining and beneficial for our health. However, we like to eat at a restaurant whenever we have special occasions to celebrate. [Why?] Answer: Well, I would say bicycles are moderately popular in my hometown. Do you like people taking photos of you? Do you watch cookery programmes on TV? However, the online courses and the interactive video tutorials make it a bit easier to learn to play a musical instrument like a guitar or a drum without the direct supervision of a mentor these days. However, from a practical point of view, having regular contact with all childhood friends is not possible as we lose contacts with many of them as we grow older. Part 1 of the test will last 4-5 minutes. Answers to these questions vary from candidate to candidate and you are advised to think about possible answers to all these questions. Besides, childhood memories are truly special and our childhood friends are a part of these reminiscences. I can play some basic tones and music in the guitar but I am not a skilled guitarist. [What was it?] Answer: Well, that's an interesting question and it reminds me of a gift that a close friend of mine gave me a few weeks ago. When did you last receive a gift? I am quite close to them. My work nature is such that I have to constantly interact with a group of people ranging from the clients to the project manager, from teammates, subordinates, the design team, the marketing team to the testing team. [Why/Why not?] Answer: Not much, I would say. What type of photos do you like taking? Q. Do you think that bicycles are suitable for all ages? It is more hygienic and less expensive. During summer, I try to drink plenty of water and go out during the evening time after the sunset to avoid direct sunlight. Q. Do you go on holiday every summer? [Why/Why not?] Answer: Yes, I absolutely believe that bicycles are suitable for people of all age groups. I also try to bring flowers whenever I visit someone on their wedding anniversary or visit a sick relative or friend at the hospital. Finding a suitable gift idea and then getting the item can be time-consuming, but it represents our care and love for the person we are presenting the gift. For these reasons, she is the person I spend the most time talking to on a telephone or on a mobile phone. Answer: Yes, my parents selected my name. If I have to single out a person among them, I would say I spend most time with "Jessica", who is a very close friend of mine, and a very brilliant student. Maria went to Italy last November to visit her grandparents and after she returned, she gave me a perfume made in Italy. Good morning. How easy would it be to learn to play an instrument without a teacher? We have been living in our neighbourhood for more than a decade and our neighbours have become our close relatives. The guitar is perhaps my second most preferred musical instrument and it is widely used with most of the music types. While cars take larger spaces to be parked into, bicycles do not. Students, most of the time, if not always, create a friendly bond with others they study with. [Why/Why not?] Answer: Honestly speaking, I scarcely ride a bicycle these days. My grandfather was an avid fan of this flower, and we had different dahlia in our garden. Q. What kinds of flowers and plants grow near where you live? Sometimes, I share a few pictures with my friends on Facebook and Instagram. Their genuine smile, sad expression and sometimes bewilderment make the photograph worth cherishing. Q. Is your name common or unusual in your country? The questions in this part include familiar topics such as home, family, work, studies and interests. Personally, I more often use a car than a bicycle because the former one is faster and more comfortable to ride in. [Why?] Answer: Bicycles have far more benefits than cars except for the fact that a car is faster. When do people give gifts or presents in your country? [Why?] Answer: I mostly like the sound of a piano. Nevertheless, having a teacher is tremendously beneficial as he/she inspires to learn and can be a role model for mastering the skills of playing a musical instrument. Once in a while, I watch programmes related to travel and cooking and 'Hell's Kitchen', 'Iron Chef' and 30 'Minute Meals' are my favourite. It is customary that the examiner will ask your name first. We have a mutual understanding and an invisible bond that ties us together as good neighbours. What sorts of food do you like eating most? How friendly are you with your neighbours? They are cheap and requires no costly maintenance or services. [Why/Why not?] Answer: Yes, I do believe that sports and games are vital for a balanced life. It was widely used when I was a child and I have seen so many people using bicycles to reach their destinations. [Why/Why not?] Answer: I have bought flowers and flower-made bouquets many many times on different occasions. Study Work Hometown/ Living place Home/ Accommodation Family Friends Clothes Gifts Daily routine Daily activities Food/ Cooking Going Out Hobbies Internet Leisure time Music Neighbours & Neighbourhood Newspapers Pets Reading Music Shopping Sport TV Transport/Travelling Weather Culture/Tradition IELTS Speaking Test - Part 1 - QUESTION SET: Set 1 | Set 2 | Set 3 | Set 4 | Set 5 | Set 6 | Topic - Friends: Q. So if they do not like each other, chances are that the group would not sustain in the long run and produce very poor output. Finally, computer games are highly popular among the young generation. Q. What do you do in summer when the weather's very hot? Those were magical days. Next » Question Set 2 Q. Does your name have any special meaning? Topic - Giving gifts: Q. Do you go on holiday every summer? Do you sometimes prefer to send a text message instead of telephoning? How often do you make telephone calls? Topic - Photographs: Q. What makes a friend into a good friend? 'Gucci Premiere Eau De Parfum' that she gave me was expensive and I really appreciate her gift. The bond between family members is often stronger but this does not mean that we do not have friends who are less important in our life. But the rest of the summer is too hot and too humid for my liking. Besides, we often buy candies to children and friends or to our relatives whenever we visit their house. I would like to share my ideas or get reviews on the work I do in such situations, but when it comes to jotting down my thoughts or thinking with rapt attention, I think working solo is sometimes the best option. Whenever we go to a restaurant, we like to order Chinese menus. Do you think it's important to keep in contact with friends you knew as a child? [Why/Why not?] Q. Did your parents choose your name(s)? However, there are some friends who become our family members. Q. Do you sometimes prefer to send a text message instead of telephoning? Topic- Bicycle: Q. However, from my experience, I can tell that I have personally met at least 10 others with the same name but with a different family name. Q. If you could change your name, would you? Q. Do you watch cookery programmes on TV? Is it important to you to have flowers and plants in your home? Answer: I think most of the people in my country learn to play different games in their childhood and their family, classmates and friends have a great role in teaching these games to them. Topic - Food and cooking: Q. How do people learn to play games in your country? [Which one?] Q. But I will try. He has a great impact on my life. [Why/Why not?] Q. What type of photos do you like taking? Answer: After I take around 20-30 photographs in my camera or my mobile phone, I connect it to my laptop and sort out the best clicks. Once in a while, I ride a bicycle and that's primarily to have fun and not to travel. Q. What makes a friend into a good friend? For instance, if I'm in a meeting or in a crowded place, I would prefer SMS than phone calls. Q. But when it comes to actually writing codes for the software or application, I prefer to work all by myself. I, on the contrary, in charge of the grocery and daily shopping. A few weeks ago, one of my cousins graduated from college and I bought some flowers while visiting their house. The most important advantage of riding a bicycle is that it keeps us healthy. The health benefits of riding a bicycle are unparalleled and that's why people from all age groups should consider this as their primary means of transportation. Do you think it's important for people to play games? Many games are helpful for children's physical and cognitive developments. Moreover, if I need to send an address, a number or an email ID, I would rather send a text message than to call the intended recipient. What kinds of things do you study/work on with other people? [Why/Why not?] Q. [Why/Why not?] Answer: Yes, sometimes sending a text message is more convenient and makes more sense than calling someone. [Why/Why not?] Answer: Yes, most of the time I love to browse different shops to find a suitable gift for someone I care for. Q. Do you think children should learn to play a musical instrument at school? I might take an alias someday if I need to ghost-write some articles, but changing my real name to something for the sake of modernism or style, is something I will never accept. Topic - Flowers and plants: Q. Q. When you visit other places, do you take photos or buy postcards? Alternative Answer: In my opinion, it is quite important to like and respect people we work with. Answer: My best friend at school was John and he was a great friend. I use the mobile phone to make or receive calls, send or receive text messages and sometimes to use the internet. [Why/Why not?] Answer: I often experiment with my camera and mobile phone camera and that's why I like to take a wide range of photos that include nature, people, gift items, sky, river, flower and so on. Alternative Answer: As a software developer, almost always I work in a team. [Why?] Answer: I will call my mom after I leave the exam hall to let her know that I am fine and my exam went very well. What do you do in summer when the weather's very hot? Considering the environmental consequences, bicycles could be a great replacement for motorised vehicles in our hometown. For instance, if I need to write an essay, read a chapter of a book that requires utmost attention, solve a math problem, or do some online research for a small project, I prefer working alone to being in a group of several people. Q. Do you think it's important to keep in contact with friends you knew as a child? [Why?] Answer: To be honest, family comes first. [Why/Why not?] Answer: I think most of us would agree that group studies are better for understanding comparatively complex topics and it also helps us share our ideas. He was tall and brave. This flower comes in a variety of colours, perhaps, all the colours in a rainbow, and they are absolutely delightful to look at. [Why/Why not?] Q. If a child at school feels passionate about learning it, he/she should be given the choice to do so. Homemade food has better food value and offers a wide range of choices. Is it important to like the people you study/work with? Perhaps I did so to bring souvenirs of the places I had been to. I have heard from my mother than my father brought a baby-name-book even before I was born. Q. How friendly are you with your neighbours? Flickr is a great photo storing and sharing website owned by Yahoo! and it offers enormous storage space. During mid summer, which lasts for just a month or two, the weather is just perfect for outdoor activities and visiting beach areas. [Why/Why not?] Answer: During my school days, the summer seasons were not as hot and humid as they are today, or at least this is what I think now! So I was not too concerned about the extreme weather during summer seasons back then. How often do you go out with friends? [Why/Why not?] Q. What games are popular in your country? Who do you spend the most time talking to on the telephone? However, this was the final step they went through to pick my name. [Why/Why not?] Answer: I must say I am quite lucky to have good neighbours who are always supportive and well-behaved. [Why/Why not?] Answer: I love flowers, and "dahlia" is my favourite flower, perhaps, because of their astonishing beauty and incredible colours. So the credit of my name solely goes to them. For anyone, his/her name is quite unique and significantly important. Who normally does the cooking in your home? In general, do you prefer eating out or eating at home? Without having a work environment where we have friendly and helpful colleagues, we cannot go on for a long. Bicycles are cheap, have almost zero maintenance costs, and good for the environment and for our health. Q. Do you prefer to have one particular friend or a group of friends? Q. How often do you ride a bicycle? Football was, and still is my favourite sports, but I can't manage time to practice football in the evening. However, I am inclined to take photos of people.
